EDUCATION

THE UNIVERSITY OF TEXAS AT AUSTIN — *Austin, TX*

Ph.D., Information Systems, McCombs School of Business — *August 2022 – Expected May 2027*

Advisor: Hüseyin Tanriverdi (Dissertation Chair)

UNIVERSITY OF CALCUTTA — *Kolkata, India*

M.Sc., Economics — *August 2016 – May 2018*

Electives: Industrial Organization; Advanced Econometrics; Environment and International Trade

UNIVERSITY OF CALCUTTA — *Kolkata, India*

B.Sc., Economics (Honours), *Mathematics and Statistics (Minors)* — *July 2013 – June 2016*

RESEARCH

Research Areas

Topical	Generative AI; knowledge work; Complexity science; Business value of AI; Innovation; IT failure; Attention and Effort distortions from probabilistic systems; CRM.
Methodological	Causal inference; applied econometrics; bayesian hierarchical modeling; surveys, field experiments and A/B testing; game-theoretic modeling; agent-based simulations

Industry Collaboration

Proprietary system, clickstream-trace & real user monitoring data, major U.S. insurance CRM — *2023 – Present*

Independently established and maintain the firm relationship and data agreement supporting dissertation papers. Ongoing access supports planned surveys, field experiments and A/B testing in the future.

Manuscripts in preparation and Ready for Submission

1. **Jaiswal, A.** and Tanriverdi, H. *Managing Complicatedness in Knowledge Work: How Deterministic and Probabilistic Information Systems Shape Performance.* Job Market Paper. Dissertation Essay 1. Target: **Information Systems Research**, October 2026.
2. **Jaiswal, A.** and Tanriverdi, H. *When IT Failure Creates Value: Recoverable Disruption in Continuous Feature Innovation.* Dissertation Essay 2. Target: **MIS Quarterly**, summer 2027.
3. Kathuria, A., Karhade, P., **Jaiswal, A.**, and Mani, D. *Towards a Theory of Digital Resilience: Evidence from Covid-19.* Target: **Journal of Management Information Systems**, May 2027.

Working Papers and In-Process

1. **Jaiswal, A.**, Kanodia, A., and Agrawal, K. *ProRead: A Design Framework and System for Durable Provenance for Value Creation in Agentic Knowledge Work. Target: Information Systems Research.*
2. Kathuria, A., Karhade, P., and **Jaiswal, A.** *During Adversity, Strength Lies in Diversity.* Target: **MIS Quarterly**, mid 2027.
3. **Jaiswal, A.** and Agarwal, A. *Instrumental Gains, Relational Costs: AI-Mediated Communication in Knowledge Work.*
4. **Jaiswal, A.** *Attention Reallocation and Distorted Effort: Generative AI under Incentives and Task Complementarity.*

Refereed Conference Proceedings

1. **Jaiswal, A.** and Tanriverdi, H. (2026) *How Deterministic and Probabilistic Information Systems Shape Complicatedness, Complexity, and Performance in Knowledge Work.* ***International Conference on Information Systems*** *Proceedings*.
2. **Jaiswal, A.** and Tanriverdi, H. *Deal Portfolio Complexity and Sales Performance: The Roles of CRM and Generative AI.* **Academy of Management Proceedings**, Philadelphia, PA, 2026.

3. Kathuria, A., Karhade, P., **Jaiswal, A.**, and Mani, D. (2023) *Stock Market Reactions to IT Endowment at the Onset of COVID-19.* **International Conference on Information Systems Proceedings**.
4. **Jaiswal, A.**, Malik, O., Karhade, P., and Kathuria, A. (2022) *Too Many Cooks Spoil the Broth: Infobesity in Multicultural Firms During Covid-19.* **Hawaii International Conference on System Sciences**. Nominated, Best Paper Award.
5. Malik, O., **Jaiswal, A.**, Kathuria, A., and Karhade, P. (2022) *Leveraging BI Systems to Overcome Infobesity: A Comparative Analysis of Incumbent and New Entrant Firms.* **Hawaii International Conference on System Sciences**. Nominated, Best Paper Award.
6. Malik, O., Karhade, P., Kathuria, A., **Jaiswal, A.**, and Yen, B. (2022) *Unravelling the Origins of Infobesity: The Impact of Frequency on Intensity.* **Hawaii International Conference on System Sciences**.
7. Das, P., Gupta, S. K., and **Jaiswal, A.** (2017) *Wage Inequality, Employment Type and Firm Characteristics in Manufacturing Industries in India: An Empirical Analysis with ASI Data.* **Eighth National Seminar on Industrial Statistics**.

Book Chapters

1. **Jaiswal, A.**, Kathuria, A., and Karhade, P. *Benefits of Business Intelligence Systems and Multiple National Cultures During Covid-19.* **From Grand Challenges to Great Solutions: Digital Transformation in the Age of COVID-19**, WeB 2021, Lecture Notes in Business Information Processing, vol. 443, S. Fan, N. Ilk, Z. Shan, and K. Zhao (eds.), Springer, Cham, 2022, pp. 15–29.

Conference Presentations

2026
- When IT Failure Creates Value: Recoverable Disruption in Continuous Feature Innovation. *Workshop on Information Technologies and Systems, Lisbon, Portugal*. (upcoming)
- How Deterministic and Probabilistic Information Systems Shape Complicatedness, Complexity, and Performance in Knowledge Work. *International Conference on Information Systems, Lisbon, Portugal*. (upcoming)
- Deal Portfolio Complexity and Sales Performance: The Roles of CRM and Generative AI. *Academy of Management Annual Meeting, Philadelphia, PA*.
- Deal Portfolio Complexity and Sales Performance. *Big XII + MIS Research Symposium, University of Cincinnati.*
- Deal Portfolio Complexity and Sales Performance. *BizAI Conference: AI Applications in Business Research, UT Dallas*.

2025
- Generative AI, Sales Productivity, and Uncertainty: A Study on Multitasking and Business Value. Doctoral Consortium, *ACM SIGMIS Conference on Computers and People Research*. *Baylor University, Waco, Texas*

2023
- Stock Market Reactions to IT Endowment at the Onset of COVID-19. *International Conference on Information Systems, Hyderabad, India.*

2022
- Too Many Cooks Spoil the Broth: Infobesity in Multicultural Firms During Covid-19. *Hawaii International Conference on System Sciences, Maui.*
- Leveraging BI Systems to Overcome Infobesity: A Comparative Analysis of Incumbent and New Entrant Firms. *Hawaii International Conference on System Sciences, Maui.*
- Unravelling the Origins of Infobesity: The Impact of Frequency on Intensity. *Hawaii International Conference on System Sciences, Maui.*

2021
- Benefits of e-Business and Multiculturism During Extreme Shocks. *Workshop on e-Business.*

2019
- Geographical Agglomeration in Indian Manufacturing Industries: An Empirical Analysis. 55th Annual Conference, *The Indian Econometric Society, Mumbai.*

2017–18 • Wage Inequality, Employment Type and Firm Characteristics in Manufacturing Industries in India.
  – *54th Annual Conference, The Indian Econometric Society, Katra, 2018.*
  – *Department of Economics, University of Calcutta, 2018.*
  – *Econ-Visva, Visva-Bharati University, 2018.*
  – *Eighth National Seminar on Industrial Statistics, 2017.*

TEACHING

THE UNIVERSITY OF TEXAS AT AUSTIN *Austin, TX*

Teaching Assistant

MIS 375, Strategic Information Technology Management *Fall 2026*

MIS 302F, Foundations of Information Technology Management *Fall 2025, Spring 2026*
Enrollment 800+ across in-person and online sections. Developed AI-related assignments.

MIS 301H, Introduction to Information Technology Management (Honors) *Spring 2023, 2024, 2025*
Enrollment approximately 200 students.

INDIAN SCHOOL OF BUSINESS *Hyderabad, India*

Teaching Assistant

Research Paper Design, Executive Fellow Programme in Management (doctoral programme) *2021, 2022*

HONORS AND AWARDS

2026 • **Professional Development Award**. Office of Graduate and Postdoctoral Studies, The University of Texas at Austin.

2022–27 • **Dean's Fellowship**. McCombs School of Business, The University of Texas at Austin.

2022 • **Best Paper Award Nomination**, infobesity in multicultural firms. 55th Hawaii International Conference on System Sciences, Maui.
• **Best Paper Award Nomination**, business intelligence systems and infobesity. 55th Hawaii International Conference on System Sciences, Maui.

2018 • **Best Paper Award**. Econ-Visva, Visva-Bharati University, Santiniketan.
• **Best Paper Award**. Department of Economics, University of Calcutta, Kolkata.

SERVICE

Journal Reviewing

Reviewer, Information Systems Research (ISR); 2026
Reviewer, Electronic Commerce Research and Applications (ECRA); 2022
Reviewer, Health Systems; 2025, 2026

Conference Reviewing

Reviewer, International Conference on Information Systems (ICIS); 2021, 2023, 2026
Reviewer, Hawaii International Conference on System Sciences (HICSS); 2022, 2026

Conference Volunteering

2025 • Conference on Health IT and Analytics (CHITA), Austin, TX

2023 • International Conference on Information Systems (ICIS), Hyderabad, India
• Workshop on e-Business (WeB), Hyderabad, India

PROFESSIONAL AFFILIATIONS

Association for Information Systems (AIS); Academy of Management (AOM); Institute for Operations Research and the Management Sciences (INFORMS)

TECHNICAL SKILLS

Programming Stata; Python; R; Stan; Mathematica; MATLAB
Databases SQL; MongoDB
Applications NVivo; QGIS; LaTeX

SELECTED COURSEWORK AND TRAINING

Seminars	Research in Information Systems; Exploration of New Technology; Online Learning and Optimization; Organization Theory; Marketing Models; Empirical Industrial Organization; Advanced Labor Economics; Public Economics; Economics of Information
Methods	Structural Econometrics; Bayesian Statistics
Workshops	Spatial Econometrics (Anil Bera); Nonparametric Econometrics (Jeffrey S. Racine); Theory Construction (Ajay Kohli)

RESEARCH EXPERIENCE

INDIAN SCHOOL OF BUSINESS *Hyderabad, India*
Research Associate, Information Systems *March 2020 – August 2022*

RA to **Abhishek Kathuria**. Empirical analysis, data construction and cleaning across projects published in *MIS Quarterly, Information Systems Research and the Journal of Management Information Systems*. Writing assistance on empirical sections and drafting of reviewer responses. Acknowledged in the *JMIS* article.

RESEARCH & INFORMATION SYSTEM FOR DEVELOPING COUNTRIES *New Delhi, India*
Research Assistant *March 2019 – February 2020*

Policy research at the think tank of the Ministry of External Affairs, Government of India, with nationwide primary fieldwork across an export value chain. Contributed to a Ministry of Commerce export strategy study and to NITI Aayog white papers on the UN Sustainable Development Goals and the National Blue Economy Policy.

INDIAN INSTITUTE OF MANAGEMENT CALCUTTA *Kolkata, India*
Research Assistant, Management Strategy *May 2018 – March 2019*

RA to **Saptarshi Purkayastha**. Empirical analysis, data collection, construction and cleaning across strategy, corporate governance and international business projects published in *Organization Science*, the *Journal of International Business Studies* and the *Journal of Business Research*. Worked through referee reports and ran the revised analyses.
